Do hereby affirm that I have reviewed all of the construction notes and requirements for this project. I affirm that I understand as the contractor or owner, that I am the party who is responsible for the project meeting all building code and zoning ordinance requirements. I further understand that from time to time there can be code additional requirements that were not covered or submitted during the plan review process.

I also understand that this permit is only valid as long as work has commenced within 180 days from date of issuance. A 180 day extension may be granted upon submittal by permit holder, when approved by the building official, as long as work has not changed, and that work has commenced since permit issuance.
